

Offering virtual English Language Learners (ELL) classes on all Levels

**Intro English** – Classes are based mainly on non-English students that are just starting to learn. Emphasis on Listening, Speaking, and Reading.

**Beginner** – Classes for students that have basic English language, minimum education geared to Listening, Speaking, Pronunciation, vocabulary, and Reading.

**Intermediate** – Classes for students that have gone through Beginners and have ample understanding of the English language. Focus on Listening, Speaking, Reading, and Writing.

**Advanced** – Classes for students that have a very good understanding of the English Language. Emphasis on Listening, Speaking, Reading, Writing, Sentence Construction, and Conversation.

The main objective of Access Cultural Diversity is to build the level of confidence in all students in Listening, Speaking, Reading, and Writing.
